EB Docket 06-36

Annual 64.2009(e) CPNI Certification for 2010

Date filed: January 15, 2011

Name of company covered by this certification: 1stel, Inc.

Form 499 Filer ID: 826419

Name of signatory: Douglas Bowyer

Title of signatory: President

I, Douglas Bowyer, certify that I am an officer of 1stel, Inc. (1stel), and acting as an agent of the company, that I have personal knowledge that the company has established operating procedures that are adequate to ensure compliance with the Commission's CPNI rules. See 47 C.F.R. S: 64.2001 et seq.

Attached to this certification is an accompanying statement explaining how 1stel's procedures ensure that the company is in compliance with the requirements set forth in section 64.2001 et seq. Of the Commission's rules.

1stel has not taken any actions (proceedings instituted or petitions filed by a company at either state commissions, the court system, or at the Commission against data brokers) against data brokers in the past year.

1stel has not received any customer complaints in the past year concerning the unauthorized release of CPNI.

Douglas Bowyer
President
1stel, Inc.

Accompanying Statement to Annual CPNI Compliance Certification for 1stel, Inc.

In compliance with 47 C.F.R. § 64.2009(e), I, Douglas Bowyer, acting on behalf of 1stel, Inc, certify the Company has taken the following actions:

Employee Training and Discipline

- Trained all employees and personnel as to when they are and are not authorized to use CPNI.
- Instituted an express disciplinary process for unauthorized use of CPNI.
- Developed electronic safeguards to prohibit access to CPNI by employees unless;
 - permitted by law for approved purposes
 - permitted access by the registered agent of customer

Sales and Marketing Campaign Approval

- Guaranteed that all sales and marketing campaigns are be approved by management.

Record-Keeping Requirements

- Established a system to maintain a record of all sales and marketing campaigns that use their customers' CPNI, including marketing campaigns of affiliates and independent contractors.
- Ensured that these records include a description of each campaign, the specific CPNI that was used in the campaign, and what products and services were offered as a part of the campaign.
- Made certain that these records are maintained for a minimum of one (1) year.

Establishment of a Supervisory Review Process

- Established a supervisory review process for all outbound marketing situations.
- Certified that under this review process, all sales personnel obtain supervisory approval of any proposed outbound marketing request for customer approval.

Opt-In

- Guaranteed that the Company only discloses CPNI to agents, affiliates, joint venture partners, independent contractors or to any other third parties only after receiving "opt-in" approval from a customer.
- Verified that the Company enters into confidential agreements with joint venture partners, independent contractors or any other third party when releasing CPNI.

Opt-Out Mechanism Failure

- Established a protocol through which the Company will provide the FCC with written notice within five (5) business days of any instance where opt-out mechanisms do not work properly, to such a degree that consumers' inability to opt-out is more than an anomaly.

Compliance Certificates

- Executed a statement, signed by an officer certifying that he or she has personal knowledge that the company has established operating procedures that are adequate to ensure compliance with the FCC's CPNI regulations.
- Executed a statement detailing how operating procedures ensure compliance with CPNI regulations.
- Executed a summary of all customer complaints received in the past year concerning unauthorized release of CPNI.

Customer Authentication Methods

- Instituted customer authentication methods to ensure adequate protection of customers' CPNI. These protections only allow CPNI disclosure in accordance with the following methods:
 - Disclosure of CPNI information in response to a customer providing a pre-established password;
 - Disclosure of requested CPNI to the customer's address or phone number of record; and
 - Access to CPNI if a customer presents a valid photo ID at the carrier's retail location.

Customer Notification of CPNI Changes

- Established a system under which a customer is notified of any change to CPNI. This system, at minimum, notifies a customer of CPNI access in the following circumstances:
 - password modification,
 - a response to a carrier-designed back-up means of authentication,
 - online account changes, or
 - address of record change or creation.

Notification to Law Enforcement and Customers of Unauthorized Access

- Established a protocol under which the appropriate Law Enforcement Agency ("LEA") is notified of any unauthorized access to a customer's CPNI.
- Ensured that all records of any discovered CPNI breaches are kept for a minimum of two (2) years.
